The Ware That Wears Guaranteed 15 Years

It doesn't pay to buy cheap ware that soon peels, cracks, leaks, tarnishes, rusts, or wears out. Even at a lower cost such wear is the most expensive because it is dangerous to health and unreliable in service—doesn't last.

"1892" Pure Spun Aluminum Ware

is guaranteed for 15 years. There is practically no wear out to it and scientific investigation proves it the most sanitary cooking ware made. Particles can't chip off and cause chronic troubles nor spoil the food. Germs do not breed on its smooth surface and odors can not be absorbed by it.

You'll have better food and save trouble, time and fuel by using only "1892" Pure Spun Aluminum Ware. Look for trade mark on every piece.
